EASEMENTS

---

3.1 **Easements for Encroachments.** Easements for Encroachments. If any portion of the General Common Elements or Limited Common Elements encroaches upon a Unit or Units, a valid easement for the encroachment and for the maintenance of the same, so long as it stands, shall and does exist. If any portion of a Unit encroaches upon the General Common Elements or Limited Common Elements, or upon an adjoining Unit or Units, a valid easement for the encroachment and for the maintenance of the same, so long as it stands, shall and does exist. Such encroachments and easements shall not be considered or determined to be encumbrances either on the General Common Elements, the Limited Common Elements, or on the Units for the purpose of marketability of title. In the event a Building or any portion thereof is destroyed and then rebuilt, the Owners agree that minor encroachments of parts of the General Common Elements or Limited Common Elements because of such construction shall be permitted and that an easement for such encroachment and the maintenance and repair of the same shall and does exist.

3.2 **Common Element Easements.** A perpetual, nonexclusive easement and right of ingress and egress and support through the General Common Elements is appurtenant to each Unit for the benefit of each Owner and all the General Common Elements are subject to such rights. Every Owner shall have the right to use and enjoy the Limited Common Elements appurtenant to such Owner's Unit. The foregoing easements and rights are subject to the limitations and restrictions set forth in this Declaration and the other Governing Documents.

3.3 **Easement for Utilities Within Units.** Each Unit may have its air space penetrated by electrical wires and lines, gas lines, water lines, wastewater lines and vents, and other utility and mechanical lines, pipes or equipment. These lines, where they serve only one Unit shall be appurtenant to such Unit, but where they serve more than one Unit shall be part of the Common Elements – either limited or general depending on how many Units are being served thereby. Such items shall be so installed and maintained so that they shall not unreasonably interfere with the use of the Unit by the Owners of the same. A non-exclusive easement shall exist through, over and across each Unit for the use, inspection, installation, maintenance, replacement and repair of such utility lines for the use of all of the Owners or the Owners being serviced by the air space being penetrated by such lines and/or equipment. After completion of construction of build out of a Unit an easement for ingress and egress for the purpose of such inspection, installation, maintenance, replacement or repair of such easement rights shall only be exercised under the direction and approval and with the authority of the Association and/or the Manager unless an emergency exists in which event any action may reasonably be taken which is justified under the circumstances to minimize damage which could otherwise occur as a consequence of such emergency. There shall be easements to, through and over those portions of the land, structures, buildings, improvements and walls (including interior building walls) contained therein for the continuing maintenance and repair of all utilities in the Building. The foregoing easements are all permanently reserved to the Declarant, the Association and the Owners. In the event the Board or the Manager must enter or cause to have an agent enter a Unit for such reasons as listed above, other than emergency, The Board or Manager must provide at least seven

days' notice to the Owner or the Owner's agent or lessee. Notice can be provided either in writing, facsimile, electronic mail, or posting. Upon entering the Unit, the Board member or Manager shall provide documentation of their entry through written notification left at the premises of the time, date and work done in the Unit.

**3.4 Easements for Public Utilities.** There are hereby reserved unto the Association, and its designees access and maintenance easements upon, across, over, and under all the General Common Elements (provided that such access may not be across, over or under any Building) to the extent reasonably necessary for the purpose of installing, replacing, repairing, and maintaining security and similar systems, roads, walkways, bicycle pathways, drainage systems, street lights, signage, wells, drainfields, and all utilities, including, but not limited to, water, sewer, meter boxes, telephone, gas, and electricity, and for the purpose of installing any of the foregoing within easements designated for such purposes on recorded plats of the Property. The Board specifically reserves unto itself the right to convey to the local water and sewer district, electric company, natural gas supplier, or communications systems supplier easements across the General Common Elements (provided that such easements may not be across, over or under any Building or other structures or buildings) for ingress, egress, installation, reading, replacing, repairing, and maintaining utility meters and boxes. The exercise of this easement shall not extend to permitting entry into any Unit, nor shall any utilities or improvements be installed or relocated on the Property, except as approved by the Board.

Should any entity furnishing a service covered by the general easement herein provided request a specific easement by separate recordable document, the Board shall have the right to grant such easement over any portion of the Property without conflicting with the terms hereof.

**3.5 Grant of Easements by Association.** The Board shall be empowered and obligated to grant such easements, licenses, rights-of-entry and rights-of-way over, under and across the Property for utility purposes, access purposes or other lawful purposes as may be necessary for the benefit of the Condominium. The Board shall also have the power to grant such easements through the General Common Elements for utilities that may serve less than all Units.

**3.6 Easements for Maintenance, Repair, and Replacement.** The Board, and all public or private utilities shall have such easements over, under, across and through the Property, including all Units and Common Elements, as may be necessary to fulfill any responsibilities of maintenance, repair, or replacements which they or any of them are required or permitted to perform under this Declaration or Bylaws of the Association or by law. ## ARTICLE 6 FINANCES

---

6.1 **Budget.** The Association shall establish a budget in the following manner:

- a. Preparation. At least sixty (60) days before the beginning of each fiscal year, the Board shall prepare a budget covering the estimated Common Expenses during the coming year, including, without limitation, a capital contribution to establish a reserve fund in accordance with a budget separately prepared. The Board shall annually prepare the reserve budget which takes into account the number and nature of depreciable assets owned by the Association, the expected life of each asset, and their expected repair or replacement cost.

- b. Notices. The Board shall send a copy of the preliminary annual budget and notice of the amount of the assessments for the upcoming year to be delivered to each Owner at least thirty (30) days prior to the beginning of the fiscal year for which it is to be effective.
  - c. Approval. The preliminary annual budget and assessment shall automatically become effective at the adjournment of the annual meeting unless disapproved at the annual meeting by at least fifty-one percent (51%) of the Owners in the Association.
  - d. Failure to Approve Budget. If the preliminary budget and assessment is disapproved or the Board fails for any reason to determine the budget for any year, then until such time as a budget is determined, the budget in effect for the immediately preceding year shall continue for the next year.
- 6.2 **Assessments.** The Association shall levy assessments upon the Owners in the following manner and for the following purposes:
- a. Types of Assessments.
    - i. *Annual Assessments.* The Board shall establish and levy "Annual Assessments" in the amount that the Board estimates will be sufficient to raise the funds needed to perform the duties of the Association during each fiscal year.
    - ii. *Reserve Assessments.* The Board shall establish and levy annually "Reserve Assessments" in the amount that the Board estimates will be sufficient to raise the funds needed to build reserves to maintain and replace the Common Elements. This amount shall be at least 10% of the total yearly budget, unless a lower amount is deemed sufficient by the Board based upon an acceptable reserve study. The Board may levy Reserve Assessments against the Units that are specific to meet the needs of the respective unit types. By way of example but not limitation, the Board may levy Reserve Assessments and maintain a specific line item in the budget to reserve for the roofing needs of the Units as they were built at the same time with the same materials. Reserve Assessments may be collected for use by the Association for the repair and replacement of capital expenditures, including but not limited to: insurance deductible, roof, siding, equipment, infrastructure and other amenities related within the Project.
    - iii. *Special Assessments.* The Board at any time may levy a "Special Assessment" in order to raise funds for unexpected operating or other costs, insufficient operating or reserve funds, or such other purposes as the Board in its discretion considers appropriate.
    - iv. *Specific Assessments.* The Board shall have the power to specifically assess those Units that receive benefits, items, or services that are specifically related to those Units that are not provided to all Units within the Project that are incurred for the benefit of those Owners for specific items or services relating to their specific Limited Common Elements, as determined by the Board in good faith. All such assessments shall be "Specific Assessments."
    - v. *Default Assessments.* Notwithstanding anything to the contrary contained herein, if any cost or expense of the Association is caused by (a) the negligence or misconduct of an Owner or an Owner's family member, employee, agent, licensee or invitee, or a violation of any covenant or condition of a Governing Document by an Owner or an Owner's family member, employee, agent, licensee or invitee, the Association may, if the Board deems necessary or advisable, levy a default assessment against such Owner. The Association may also, in the discretion of the Board, levy a default assessment against any Unit to reimburse the Association for costs incurred in

bringing the Unit into compliance with the provisions of the Governing Documents, provided the Association gives prior notice to the Owner and an opportunity to respond to the Board. This includes any attorney's fees and costs awarded by a court/arbitrator. Any such assessment levied by the Association pursuant to this section, and each fine, penalty, fee, or other charge imposed upon an Owner for the Owner or an Owner's family member, employee, agent, licensee or invitee violation of any covenant or condition of any Governing Document, are each referred to herein as a "Default Assessment."

- b. Purpose.
- i. Assessments shall be made for the maintenance, repair, replacement, insurance, management, and administration of General Common Elements if any, utilities, reserves for contingent liabilities and other related items and assessments for the Owner's percentage share of any assessment from the Community Association. Assessments for General Common Element Expenses shall be based upon and computed by using the percentage of interest that each Owner has in relation to the common elements.
  - ii. Assessments shall also be made for the maintenance, repair, and replacement of Limited Common Elements if any, such that the Owners are chargeable only for the expenses relating to Limited Common Elements serving their respective Units in accordance with the percentage of the Unit or Units have in the Limited Common Element which serves the Units and for which the assessment is being made. If only one Unit is associated with the Limited Common Element, then the entire cost of such repair maintenance or replacement shall be borne by that Unit. The Board may choose to treat a Limited Common Element as a General Common Element for the purpose of this section if the Board determines it is in the best interests of the Owners to do so.
  - iii. Assessments may also be made for any purpose contemplated by this Declaration and for any purpose set out in the Act.
  - iv. The Reserve Assessment shall be assessed as the Board considers appropriate to adequately meet the costs of the future repair, replacement or additions to Common Element improvements and fixtures that the Association is obligated to maintain and repair. Reserves for General Common Elements shall be assessed according to the Unit's percentage interest. Reserves for Limited Common Elements shall be assessed to the Unit(s) to which they are appurtenant. The Board may choose to treat a Limited Common Element as a General Common Element if it is in the best interests of the Owners to do so.
  - v. Damage to any part of a Unit resulting from maintenance, repair, emergency repair or replacement of any of the General Common Elements or Limited Common Elements or as a result of an emergency repair within another Unit at the instance of the Association (other than damage caused by a Unit Owner or a family member, guest or invitee thereof) shall be designated Common Expenses by the Association and assessed in accordance with such designation.
- c. Payment of Assessments. All Assessments shall be due ten days (10) from the date of mailing notice of such Assessments to the Owners. Any Assessment may be payable in installments, monthly or quarterly, at the option of the Board. The amount of the General Common Expenses assessed against each Unit and the amount of Limited Expenses assessed against each Unit shall be the personal and individual debt of the Owner thereof. If the Owner is a corporation, limited liability company, limited partnership, trust or similar

entity then the underlying shareholders, unitholders, beneficiaries, limited partners, etc. agreed that by purchasing a Unit that waive all protections given by their entity and agree that they are personally liable for any debt owed to the Association. (For example, if the entity is a corporation, the Association may automatically pierce the corporate veil to hold the shareholders personally liable for the debt). No Owner may exempt himself from liability for these contributions toward the Common Expenses by waiver of the use of enjoyment of any of the common elements or by abandonment or lease of his Unit.

- i. Common Expenses of the Association shall be levied against the Units on a pro rata basis based upon Percentage of Interest.
  - ii. Limited Expenses shall be levied against Units as a Specific Assessment, against the Unit Owner(s) that benefit from the use of the Limited Common Element except in cases where the Board has determined the Limited Common Element should be treated as a Common Element.
  - iii. All monies owed the Association by an Owner, including but not limited to judgment awards and judgment interest and costs of collection are also Default Assessments against the Unit Owner(s)' Unit that run with the land and attach upon notice from the Association that the monies are due/or upon award by the Court.
- d. Owner Liability. In a voluntary conveyance of a Unit, the grantee is jointly and severally liable with the grantor for all unpaid charges against the latter for grantee's proportionate share of the Common Expenses up to the time of the grant or conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefore.
- e. Waiver of Homestead. By purchasing a Unit a Unit Owner agrees that any filed Homestead Exemption does NOT apply to any amounts owed under the Governing Documents, including but not limited to Assessments and all court costs, monies, attorney's fees and judgment interest owed to the Association as a result of any case involving the Association where the Association is awarded such case, including the costs of collection.
- f. Verification of Assessments Due. Upon written request, the Association or its Manager will furnish to a Member or such Member's title or mortgage company written verification of the amount of such Assessments owing and whether the Member has paid such Assessment. The Association or its agent may charge a reasonable fee for the verification of assessments due.
- g. Restrictions on Assessments and Expenditures. The Board may not impose an Annual Assessment on any Unit which is more than twenty percent (20%) greater than the Annual Assessment for the immediately preceding fiscal year, or levy Special Assessments which in the aggregate exceed twenty percent (20%) of the total budget of the Association for that fiscal year, without the vote and/or written consent of a majority of the aggregate voting interests of the Association. In addition, with the exception of expenditures required for emergency situations or expenditures that were included in the Association's budget for the fiscal year, no single expenditure or debt in excess of Twenty Thousand Dollars (\$20,000.00.00) may be made or incurred by the Association in a fiscal year without the prior approval of the Board. The limitation on single expenditures may be modified by the Board without amendment to this Declaration.
- h. Unpaid Assessment. All assessments that are not paid within thirty (30) days from the date they are due and payable become delinquent and are subject to interest charges to be determined by the Board and penalty charges equal to ten percent (10%) of the delinquent Assessment. The Board or Manager shall have the responsibility of taking prompt action to collect any unpaid Assessments that become delinquent, such action shall be any remedy available at law to the Association including but not limited to the rights set forth in this

Declaration. However, as the obligation to pay Assessments is a covenant that runs with the land, the Association is not required to lien the Unit in order to recover past due amount(s), regardless of any sale of the Unit. Suit to recover a money judgment for unpaid Common Expenses and Limited Expenses may be maintainable without foreclosing or waiving any lien securing the same.

- i. Unpaid Assessments - Mortgagee. Where a lienholder or other purchaser of a Unit obtains title to the Unit as a result of foreclosure of the first mortgage or trust indenture, such acquirer of title, his successors and assigns, shall not be liable for the share of assessments by the Association chargeable to such Unit which became due prior to the acquisition of title to such Unit by such acquirer. Such unpaid assessments shall be deemed to be Common Expenses collectable from all of the Units including such acquirer and such acquirer's successors and assigns.
- j. Enforcement For Failure to Pay Assessments.
  - i. *Liens.* All sums assessed but unpaid for the share of General Common Expenses and Limited Common Expenses chargeable to any Unit shall constitute an automatic lien on such Unit superior to all other liens and encumbrances, except only for tax and special assessment liens on the Unit in favor of any assessing authority, and all sums unpaid on a first mortgage or a first trust indenture of record, including all unpaid obligatory sums as may be provided by such encumbrance. Since the obligation to pay Assessments is a covenant that runs with the land, the Association is not required to lien the Unit in order to recover past due amount(s), regardless of any sale of the Unit. Should the Association desire, the Manager or Board's agent may prepare a written notice of lien assessment setting forth the amount of such unpaid indebtedness, the amount of accrued interest and penalties thereon, the name of the Owner of the Unit and the legal description of the Unit. Such notice may be signed and verified by one of the officers of the Association or by the Manager, or his authorized agent, and it may be recorded in the Public Record. Regardless of the filing date, the assessment lien attaches from the date the Assessment is first levied.
  - ii. *Foreclosure and Bidding at Foreclosure.* Such lien may be enforced by the foreclosure of the defaulting Owner's Unit by the Association in the manner provided in the Act and as provide by the foreclosure of a mortgage on real property upon the recording of a notice of a claim thereof. In any such foreclosure, the Owner shall be required to pay a reasonable rental for the Unit and the Plaintiff in such foreclosure actions shall be entitled to the appointment of a receiver to collect the same. Suit to recover a money judgment for unpaid Common Expenses shall be maintainable without foreclosure or waiving the lien securing the same. In any such proceeding the Owner may be required to pay the costs, expenses and attorney's fees incurred in filing a lien, and in the event of foreclosure proceedings, additional costs, expenses and attorney's fees incurred. The Board on behalf of the other Owners shall have the power to bid on the Unit at a foreclosure or other legal sale and to acquire and hold, lease, mortgage and convey or otherwise deal with the same. Any lienholder holding a lien on a Unit may pay, but shall not be required to pay, any unpaid general Common Expenses, or Limited Common Expenses payable with respect to any such Unit, and upon such payment, such lienholder shall have a lien on said Unit for the amounts paid of the same rank as the lien of his encumbrance without the necessity of having to file notice or claim of such lien.

ARTICLE 7

No Unit or parking space (designated or common) shall be used for the storage of any inoperable vehicle, machinery or equipment, or other personal property of any quality in excess of the immediate needs and personal use of the Owner of a Unit or the occupants thereof. No recreational equipment or vehicles, including, but not limited to, campers, trailers, motorboats, drift boats, rafts, motor homes, snowmobiles and four wheelers shall be kept on the Property for any duration of time.
- b. Nothing shall be done in, on or to the Common Elements which will impair the structural integrity of a Building or any Common Element or which would structurally change a Building or Common Element, except as is otherwise provided herein and in accordance with the Governing Documents.
- c. Except as otherwise set forth in this Declaration or as approved by the Board or Declarant, nothing shall be altered or constructed in or removed from the Common Elements.

7.2 **Use.** The Units shall be used only for residential occupancy by Unit Owners, their families, and their guests and invitees, consistent with the restrictions contained herein and in the other Governing Documents and may not be used for any other purposes whatsoever.

7.3 **Alterations.**

- a. Exterior Alterations. No Owner may change, alter or remodel the exterior of his Unit without the prior written approval of the Board.
- b. Interior Alterations and Modifications by Owner. The interior plan of the Unit may be changed by its Owner, with the exception of the bearing walls which may not be moved, although no Units may be subdivided. Prior to such alterations, however, the Owner(s) of the unit to be altered shall give at least thirty (30) days' notice to the Association of the intent to alter the Unit, together with all necessary information to conclusively establish that such alteration shall not impair the structural integrity or any of the Common Elements of the Building. No change in the boundaries of the Units shall encroach upon the boundaries of the Common Elements, except by amendment to this Declaration. Altered boundary walls must be equal to the quality of design and construction of the existing boundary walls. A change in the boundaries between Units shall be set forth in an

amendment to this Declaration. In addition, to comply with the provisions of Article 13 below, such an amendment must further set forth and contain plans for the Units concerned, showing the Units after the change in boundaries, which shall be attached to the amendment as exhibits. Such an amendment shall be signed and acknowledged by the Owners of the Units concerned; as well as those Owners with an interest in any common elements affected, together with words of conveyance in the amendment conveying interests acquired in the Units or Common Elements by such change. The amendment shall also be approved by the Board and signed and acknowledged by all lienholders and mortgagees of the Units concerned.

- c. Change in Unit Boundaries. No change in the boundaries of existing Units shall encroach upon the boundaries of the Common Elements or other Units except by amendment to this Declaration. Any such change will be set forth in an amendment showing the revised plans of the Unit(s) which amendment shall be approved, signed and acknowledged by the Association, the Owner(s) of the applicable Unit(s) and all lien holders and mortgagees of the Units concerned, to the extent required by the Act. Boundary walls must be equal in quality of design and construction to the existing boundary walls.
- d. Load Bearing Walls. Notwithstanding any rights to remodel the Units, load bearing walls may not be moved or structurally altered.
- e. Liens for Alterations or Modifications. Labor performed and materials furnished and incorporated into a Unit with the consent of or at the request of the Unit Owner, or such Unit Owner's agent, contractor or subcontractor, may be the basis for the filing of a lien against the Unit or the Unit Owner consenting to or requesting the same. Each Unit Owner and any other person having an ownership interest in a Unit shall indemnify and hold harmless each of the other Owners against any lien against the Unit or against the General Common Elements or Limited Common Elements for construction performed or for labor, materials, services or other products incorporated in the applicable Unit at such Owner's or such other person's request.

#### 7.4 Leasing.

- a. The leasing of Condominium Units is subject to the Montana Human Rights Act and all the provisions of the applicable City of Bozeman Municipal Codes and Zoning regulations. Units may be leased according to the conditions set forth in this Article.
- b. "Lease" is defined as allowing a person(s) to occupy all or any part of a Unit for a monetary consideration or its equivalent. Nothing herein shall preclude a Unit Owner from retaining a live-in health care provider.
- c. "Long-term Lease" is a Lease with an initial term of at least 6 months, except with the Board's prior written permission.
- d. "Short-term Lease" is a Lease that is for less than 6 months.
- e. Short-term Leases are not permitted.
- f. The Association may establish a maximum number of Leased Units within the Project; however, the percentage of Leased Units may not exceed the current FHA Condominium Project owner-occupancy requirement. The Leased Units shall be determined on a first come, first served basis. In order to Lease a Unit, the Owner must request in writing to the Board of Directors that the Unit become a Leased Unit. If there are less than the approved number of the Units Leased at the time of the request, the Board shall grant the request. The Owner will have ninety (90) days from the time of approval to secure a valid, signed Lease or, if a vacation rental, show that the Unit is listed for rent as a vacation rental. The Owner shall provide the Board the information required in the Rules and Regulations made

regarding Leasing. The Board will keep a list of which Units are Leased. Should an Owner Lease a Unit without obtaining permission of the Board, the Board shall have the power to enforce this provision with an action for possession of the Unit (i.e. eviction) should the Board deem such an action necessary.

- g. The Board of Directors may consider requests from owners to exceed the limit set by the Board for special circumstances the Board of Directors deems reasonable. If such a request is granted, it shall be for a period not to exceed one year, provided, however the Board of Directors may consider requests to extend beyond the one-year period and shall either grant or deny such request within forty-five (45) days of receiving a written request for extension.
- h. When the maximum number of the Units are Leased, Owners of Units desiring to offer other Units for Lease may make a request to the Board of Directors to be placed on the waiting list. A waiting list of Unit Owner(s) wanting to lease their Unit shall be established and Units shall be placed on the waiting list on a first-come, first-serve basis. The Owner of first Unit on the top of the waiting list shall be notified in writing when the number of leased Units is less than the maximum number of the Units. The Owner will have ninety (90) days from the date of notice to secure a valid, signed Lease. If at the expiration of this ninety (90) day period and a Lease has not been provided to the Board of Directors, the next Unit in line on the waiting list shall be granted pending permission by the Board of Directors to lease their Unit. Unit Owners are to be given the same procedures established until the current policy for Leased Units has been reached.
- i. Units Leased at the time of the effective date of this policy will be allowed to remain in Leased status until the property is sold, otherwise changes ownership, or is re-occupied by the Owner. At that time, the Unit may be Leased only in accordance with this Leasing policy. New Owner(s) of formerly Leased Units and/or Owners who re-occupy a formerly Leased Unit will not receive priority over other Owners on the waiting list.
- j. Lessors must, at Lessor's expense, provide Lessees with copies of the Covenants, Bylaws, and Rules and Regulations. Leases must specify that the Lessees/occupants must comply with all provisions of these three documents.
- k. Occupancy shall be limited to those individuals named on the lease, except for bona fide short-term (less than two weeks) guests of the Owners. Guests are people who are visiting the Owners for no compensation.
- l. The Owner's Association is not responsible for Leases negotiated by any of its members, nor is it responsible for its members' advertisements seeking Lessees. It is the responsibility of individual owner/lessors to comply with local, state, and federal laws relative to the leasing process.
- m. Unit Owner(s) may retain a house sitter or caretaker during periods of Owner(s) absences. A house sitter and/or caretaker are defined as person or single families temporarily residing in and responsible for complete Units during temporary absences of the owners or lessees. They are subject to the provisions of the Bylaws and Covenants, including the Rules and Regulations of the Association.
- n. In the event a lessee, house sitter, and/caretaker fail to comply with the Bylaws, Covenants, Rules and Regulations, or becomes a public nuisance, the Association, after notification to the Owner, may initiate action against the Owner's offending Lessee or occupant. The Association is specifically granted the power to step into the shoes of the Owner to bring an eviction action against the Lessee/house sitter/caretaker for breach of the Lease agreement. This shall in no way limit the Association's other legal remedies. Any and all proceedings shall be taken in accordance with Autumn Grove Condominium Owner's Association rules, policies, regulations, covenants and declarations. The prevailing party

in such proceedings shall be entitled to an award of reasonable attorney's fee, cost of collection of the judgment and related costs.

- o. Owners may rent or lease their residential Units to others for residential purposes. Any such lease must have a term of at least seven (7) consecutive days. If the lease term is thirty (30) days or more, the Owner shall have a written lease with their lessee that complies with the governing laws of Montana, including remitting applicable taxes to the State of Montana and the City of Bozeman and shall reference compliance by the lessee with this Declaration, Bylaws, and Rules and Regulations as adopted and subsequently amended. Such written lease shall include a copy of the Rules and Regulations. Owners shall be responsible for any violation by their lessees of the Governing Documents.
- p. The Association may not require that a prospective tenant be approved by the condominium association and/or its agent, including but not limited to meeting creditworthiness standards.

**7.5 Restriction on Number of Occupants per Unit.** All Units may be used only for residential dwelling purposes and typical residential activities. No portion of the Property or Unit shall be used for living or sleeping purposes other than rooms designed for living or sleeping in a Unit. Occupancy of each Unit shall be limited to two persons per designated bedrooms in the Unit (as those bedrooms are labeled and depicted on the floor plans attached as Exhibit F-1), except that this restriction shall not be applied to preclude occupancy of a Unit by a family consisting of two persons and one or more children under the age of 18 for whom either or both of such persons are the parent, legal guardian or designee authorized in writing by the child's parent or legal custodian to care for the child. For purposes of this Section, "occupancy" means staying overnight in a Unit. Vehicles parked in excess of the limit set in the Rules and Regulations or in areas not permitted under the Rules and Regulations shall be towed at their owners' expense.

**7.6 Restriction on the Number of Units Owned by One Owner.** Any single Owner may not own more than ten percent (10%) of the total number of Units. This restriction does not apply to the Declarant.

**7.7 Home Occupation.** Notwithstanding anything to the contrary contained in this Section, a gainful home occupation, profession, trade or other non-residential use will be a permissible use of a residential Unit, so long as: (i) such use is conducted in compliance with the applicable Zoning Regulations and is not prohibited by law, (ii) such use is not restricted by this Declaration, (iii) such use is carried on entirely within a residential Unit and is secondary and incidental to its use as a residence, (iv) there is no generation of pedestrian or vehicular traffic beyond that customary or incidental to residential use of the Unit, (v) there is no use of commercial vehicles for deliveries to or from the premises, (vi) there is no on-premises sales of products, (vii) there is no external evidence of any such activity being conducted, including, but not limited to, no signs or structures advertising the occupation and no excessive or unsightly storage of materials or supplies, and (viii) the home occupation does not employ any non-resident of the Unit, nor does it attract any non-resident customers. For guidance, the following uses are examples of potentially permissible home occupations: the making of clothing; the giving of music lessons; a sole practitioner professional practice; service or product providers who maintain a telephone and office within the residence but the services and products are not provided or sold from the Unit; the pursuit of artistic endeavors, provided that the products are not marketed and sold from the Unit, and no kilns or foundries are used in the Unit.

**7.8 Activities.**

- a. Nothing shall be done or kept in any Unit or in the Common Elements which will increase the rate of insurance on the Buildings or contents thereof, without the prior written consent of the Association. No Owner or Occupant shall permit anything to be done or kept in the Owner's Unit or in the Common Elements which will result in the cancellation of insurance on the Buildings, or contents thereof, or which would be in violation of any law, this

Declaration, or the Association Bylaws. No waste will be permitted in the common elements.

- b. No nuisances shall be allowed upon the Property, nor shall any use or practice be allowed which is a source of annoyance to the Owners, or which interferes with the peaceful possession and proper use of the property by its Owners. No immoral, improper, offensive or unlawful use shall be made of the property, nor any part thereof, and all valid laws, zoning ordinances and regulations or all governmental bodies having jurisdiction thereof shall be observed.
- c. Nothing shall be done in any Unit or in, on or to the Common Elements which will impair the structural integrity of the Building or which would structurally change the Building, except as is otherwise provided herein.
- d. Nothing shall be altered or constructed in or removed from the Common Elements, except upon the written consent of the Association.
- e. Use by the Occupants of the Units in the Project shall at all times be in compliance with all ordinances of the City of Bozeman and of the laws of the State of Montana. Such compliance shall also include and extend to any repair, remodeling or refurbishing of the units.

#### 7.9 Animals.

- a. Permitted Household Pets. Notwithstanding the foregoing, a reasonable number of birds, dogs, cats, tortoises or other customary household pets may be brought onto the Property or kept in a Unit ("Permitted Household Pets") with permission, and as determined, by the Board and defined in the Rules and Regulations. Permitted Household Pets shall not be kept, bred or maintained for any commercial purpose, nor in unreasonable quantities, nor in violation of any other provision of this Declaration. Chickens are not deemed Permitted Household Pets. No Permitted Household Pet shall be permitted to harass any wildlife. Permitted Household Pets are not to be kept outside of the Unit or chained up. Any Permitted Household Pet that is on the Property shall be accompanied by the Unit Owner/Occupant, or their guest or invitee, and kept under control at all times. Unit Owners are responsible for damage and waste caused by any Permitted Household Pet associated with a Unit.
- b. Number and Breed. No unit shall have more than 2 pets. The Association shall have authority to ban certain breeds of dogs or individual dogs from the Property, provided that such bans are based upon objective criteria related to aggressive tendencies of the breed or the individual dog.
- c. Authority to Adopt Rules. The Board may establish such other reasonable Rules and Regulations (including but not limited to the number of Permitted Household Pets and the requirement to charge pet deposits) concerning Permitted Household Pets and other animals as it deems necessary.
- d. Indemnification. Any Unit Owner who causes any animal to be brought or kept on the Property shall indemnify and hold harmless the Association from any loss, damage or liability that the Association may sustain as the result of the presence of such animal on the Property.
- e. Service Animals. Nothing in this Section shall be construed to limit or prohibit therapy or service animals. However, such therapy or service animals shall be registered with the Board, and the Occupant owning such animal shall provide the Board with the written recommendation of a medical professional verifying the need for the animal, as well as the animal's training certificate or other qualification(s).

- f. Animal Waste Cleanup; Fines. Unit Owners, their tenants and guests shall be responsible immediately to clean up any pet waste and shall repair any damage caused by pets to any of the Common Elements. Failure to immediately pick up after a Unit Owner's animal or an animal belonging to a tenant or guest on the common area shall result in a fine not to exceed \$20.00 per day for each offense. Any such fine shall become a part of the assessments for that Unit. If the pet waste is not picked up in a Unit's Limited Common Area when the yard care company arrives to provide lawn care, the Unit will be charged an additional fee of \$25 each occurrence for removal of the animal waste.
- g. Biting incidents; Fines. Any pet which bites another animal or human upon the Property shall immediately and permanently removed unless the Board determines by clear and convincing evidence that the animal was unreasonably provoked into biting. Failure to remove the offending pet in a timely manner shall result in a fine not to exceed \$20.00 per day for each day the pet remains on the Property after the incident. Any such fine shall become a part of the assessments for that Unit, whether the offending animal is owned by the Unit Owner, a tenant, or a guest.
- h. Nuisance. Failure of an Owner or Occupant to adhere to pet regulations and requirements shall be grounds for the Association and/or other Unit Owners to maintain an action for nuisance to remove the offending pets.
- i. Leased Units. If an Owner leases their Unit to a person who has pets, the Owner shall be responsible for the enforcement of the pet restrictions and rules, and any fines imposed shall be charged against the Unit. The Association may obtain satisfaction of any such charges and shall have the right to file a lien against the Unit and foreclose the lien in the same manner as provided for failure to pay an assessment.

#### 7.10 Aesthetics.

- a. Storage. The Common Elements (including Limited Common Elements appurtenant to the Units) shall not be used for storage of supplies, recreational equipment, materials, personal property or trash or refuse of any kind, except as provided in duly adopted Rules and Regulations.
- b. Porches & patios. No unsightly conditions shall be maintained on the patio, porch, or deck of any Unit or in any other area that is visible from the exterior of the Unit and only furniture and equipment consistent with the normal and reasonable use of such areas shall be permitted to remain there.
- c. Seasonal storage. During seasons when not reasonably in use, such furniture and equipment may be neatly covered and stored on the patio, porch, terrace, or deck of a Unit.
- d. Rules. The Board may adopt Rules and Regulations from time to time addressing the exterior appearance of Units and Buildings and the use of porches, decks, balconies, terraces and patios. In general, no activity shall be carried on nor condition maintained by an Occupant, either in a Unit or upon the Common Elements, which is detrimental to the appearance of the Project.
- e. Window treatments. For uniformity, window treatments on the inside of the Unit must be white in color on the outside of the treatment so that when curtains, blinds and the like are closed the white will be facing outside. No temporary treatments such as blankets, flags and paper may be used as window treatments.

7.11 **Trash.** No trash, waste, garbage, litter, junk, refuse, or unused items of any kind shall be kept, stored, thrown, dumped, allowed to accumulate, left or burned on any portion of the Property. No incinerator or other device for burning of trash or garbage shall be installed or used. Each Occupant shall store household trash within the Unit and/or the appurtenant garage, and shall dispose of their trash at the

location(s) designated by the Association. At no time should trash be stored outdoors.

**7.12 Advertising and Signage.** Owners and Occupants shall not cause or permit anything to be hung or displayed on the outside of windows or placed on the outside walls of a building and no air conditioning, sign, awning, canopy, radio or television antenna, satellite dish larger than eighteen inches (18") in diameter. No signs or other advertising devices of any kind shall be displayed which are visible from the exterior of a Unit or on the Common Elements, including, but not limited to, any real estate sign, "for rent" sign, without written permission from the Board.

**7.13 Parking.** No vehicles may be stored anywhere on the Property except in garages and on the limited common element driveways. However, if a vehicle is parked in a driveway, it cannot be parked in such a way that it impedes the existing sidewalk. Each Unit Owner shall use their garage and the area directly in front of their garage for their primary parking. Subject to rules and regulations adopted by the Association, Unit Owners may use street parking for secondary parking. "Secondary parking" shall mean parking for an Owner/Occupant's vehicle, temporary parking for guests and invitees and for temporary loading and unloading by the Unit Owners.

**7.14 Non-operable Vehicles.** No non-operable vehicles of any sort are allowed on the Property or any street bordering the Property for more than 24 hours at one time. Repeated parking of such vehicles is prohibited. Violations will subject the vehicles to towing and fines levied by the Board.

**7.15 Lights.** Except as otherwise regulated in the Zoning Regulations or Governing Documents, the Board may adopt Rules and Regulations regulating exterior lighting or seasonal or holiday lighting.

**7.16 Marijuana.** No part of the Property may be used for the growing of, storage of, sale, dispensing, or other transfer of marijuana (medical or recreational) for any purpose, including, but not limited to, marijuana which is grown, harvested, and distributed pursuant to any law that authorizes or licenses any of the foregoing activities.

**7.17 Satellite Dishes/Antennas.** No external antennas are allowed. Satellite dishes up to eighteen inches (18") are allowed on the rear of each Unit, and at an elevation no higher than 36 inches above the eaves of the roof or on the enclosed garage. An Owner or Occupant shall use their best efforts to shield satellite dishes from ground level view and shall integrate such dish into the overall roof design (if roof mounted) or external siding. Owners or Occupants shall receive approval from the Board prior to the placement of any satellite dish. Association approval will not be unreasonably withheld, but is required to make sure the placement of the satellite dish complies with its Rules and Regulations and to make sure that placement does not violate the health, safety, and welfare of any other Owner. Any damage to the Common Elements will be paid for by the Unit Owner.

**7.18 Handicapped Rights.** Subject to the review rights of the Association and applicable law, each Owner shall have the right to modify the Unit and the route to the Unit (as applicable and necessary) leading to the entrance of the Unit, at the Owner's sole cost and expense, in order to facilitate access by Persons who are blind, visually handicapped, deaf or physically disabled, or to alter conditions which could be hazardous to such Persons.

**7.19 Water & Sewer System.**

- a. Services. All Units shall be served by the water and sewer departments of the City of Bozeman, Montana, or their successors and assigns.
- b. Fees for Services. All Owners and other persons having an ownership interest in a Unit shall be obligated to pay the required water and wastewater fees for those services. Failure to pay the fees for services may result in services being shut off to the Unit.
- c. Irrigation. The General Common Elements will be irrigated and watered by an automatic watering system via an irrigation water well located upon the Property with a separate

electric meter to operate the pumps and irrigating system, which costs will be Common Expenses. The smaller Common Elements (including the Limited Common Elements) around each building will be serviced by an automatic watering system, which uses nominal amounts of electricity to power the timer for the system. Each Building will have at least one power panel for a relay switch to the irrigation well pump and to operate the sprinkler clocks around the Building; such power panel will be connected to at least one Unit located at the end of each building ("End Unit"). Each End Unit shall provide electricity as necessary to power automatic watering system for the area around that building. The Board may determine at a later date to compensate the End Units for such nominal use. The End Unit Owners and Occupants agree that they will not in any way control, impede or disrupt the electrical service from their Unit to the automatic watering system.

## ARTICLE 8 INSURANCE

---

8.1 **Purchase.** All insurance policies upon the Common Elements and the Units shall be purchased by the Association and shall be insured by an insurance company authorized to do business in Montana.

- a. **Named Insured – Association Insurance.** The named insured under all policies purchased by the Association shall be the Association individually as agent for the Unit Owners without naming them. However, the property insurance maintained by the Association shall include, where so required, each Unit Owner and their lenders or mortgagees as additional insureds as their interests may appear, with standard mortgagee clause in favor of each listed mortgagee, subject however, to loss payment and other provisions as are set forth by these documents. Such property insurance policies shall provide that payments for losses thereunder by the insurer shall be paid to the Insurance Trustee hereinafter designated, and all policies and endorsements thereon shall be deposited with the Insurance Trustee.
- b. **Copies to Owners.** Upon written request by a Unit Owner, the Association shall furnish one copy of each insurance policy and of all endorsements to such Unit Owner. The Association shall also provide, upon written request, certificates of insurance evidencing property and liability insurance to each Unit Owner and/or their lender/mortgagee where required.

8.2 **Coverage.** The Association shall obtain and continue in effect the following types of insurance, if reasonably available, or if not reasonably available, the most nearly equivalent coverages as are reasonably available (as determined by the Board):

- a. **Property Insurance.** All Units and Buildings, including the Common Elements and such portions of the Units as are for insurance purposes normally deemed to constitute part of the Common Elements and such other improvements to land as may be included in the Common Elements and where such improvements are reasonably insurable under a property policy, shall be fully insured to an amount equal to the full replacement cost thereof with all such insurance to be based on current replacement cost value, as determined annually by the Board, but subject to such deductible clauses as are required in order to obtain and maintain coverage at reasonable costs, and which coverage shall be increased by the Board as may be necessary to provide that the insurance proceeds will be sufficient to cover replacement, repairs or reconstruction. Such coverage for the Units shall be pursuant to so called "bare walls" property insurance policies (except as itemized below). Such coverage shall afford protection against the following:

- i. loss or damage by fire and other hazards typically covered by a standard special cause of loss property policy form or its equivalent; and
  - ii. specifically, such other perils including flood and earthquake loss as from time to time may be customarily covered with respect to buildings similar in construction, location and use as the Buildings, if the Association so desires, in amounts to be determined by the Board; and
  - iii. the policies shall cover the Units as initially installed in accordance with Declarant's original plans and specifications or a replacement of like kind and quality, such property to include, but not be limited to, the building/structure, air-handling equipment for space cooling and heating, service equipment such as dishwasher, disposal, laundry, fireplaces, refrigerator, stove, oven, interior fixtures such as electrical and plumbing fixtures, installed floor coverings, inside paint and other wall finishing, each of which become part of the building, regardless of whether such items are included within the definition of Common Elements. Alterations, betterments or improvements added by or at the request of Owners after initial construction and installation of the Unit which are greater than Ten Thousand Dollars and Zero Cents (\$10,000.00) in value shall not be automatically covered by the Association master property insurance policies unless such alterations, betterments and improvements are true replacements of like kind and quality to that of the initial installation and any alterations, betterments and improvements beyond that must be specifically presented to and accepted in writing by the Association (as determined by the Board) in order to be added to the Association policy. Prior to any such acceptance by the Association, the Owner shall be fully responsible for such alterations, betterments and improvements and all related insurance. In addition, the Association's property policy shall not include insurance coverage for any Unit Owner's personal property, furnishings and/or contents and none of the Association, the Board, the Manager or Declarant shall have any responsibility or liability with respect to such items.
  - iv. During any period when any repair or reconstruction of a Building or Unit is taking place, and to the extent such coverage is not included in the above required property insurance policy, a Builders Risk policy shall be maintained for the completed value of the Building or Unit with coverages equivalent to those included in the paragraph above.
  - v. All property insurance policies carried by the Association shall provide for waivers of subrogation of claims against the Unit Owners and occupants of any Unit.
- b. Workers Compensation. Workers compensation as required by law and employer's liability insurance with respect to officers and employees of the Association, if applicable.
  - c. Director's and Officer's Liability. Unless otherwise determined by the Board, a directors and officers liability insurance policy with a limit of not less than One Million Dollars (\$1,000,000.00) (or such higher limit as may be determined by the Board) to insure against liability for actions taken by individuals in their capacity as officers or directors of the Association.
  - d. General Liability. Commercial general liability insurance on an occurrence form covering bodily injury, including death, and property damage with a limit of not less than One Million Dollars (\$1,000,000.00) per occurrence and Two Million Dollars (\$2,000,000.00) in the aggregate and including coverage for personal injury, products and completed operations and contractual liability. Such insurance shall cover and indemnify the Association, the Board, the Manager, if any, and each director, officer and employee of the

foregoing against liability for all tort claims arising out of or relating to the Association's ownership, operation, use and maintenance of the Project; and such policy may include, where available, the Unit Owners as additional insureds; provided, however, that such insurance is not intended to contribute to or be in lieu of any individual Unit Owner's liability policies required to be carried by each Unit Owner as stipulated below and under which each Unit Owner's liability insurance shall be primary for each respective Unit Owner.

- e. Fidelity Bond. Fidelity and crime insurance with a limit of One Million Dollars (\$1,000,000.00) or such other limit as may be determined by the Board, covering officers and employees of the Association who handle or are responsible for its funds, if applicable.
- f. Other Insurance. Such other insurance as the Board shall determine from time to time to be desirable and as may be required by the Federal and State laws.
- g. Insurance Changes. If the Board determines that it is not in the best interest of the Association for the Association to maintain property insurance on the Units, due to cost or otherwise, the Board may amend this Declaration to reduce or eliminate the Association's obligation to maintain such insurance and to require each Unit Owner to maintain property insurance on such Unit Owner's Unit for full replacement value. Such amendment may include such additional requirements and limitations relating to such insurance as the Board deems reasonable and may include provisions addressing use of insurance proceeds and repair or reconstruction in the event damage to or destruction of a Unit. The Board may cause such amendment to be prepared and recorded without the consent of the Unit Owners; *provided, however*, notice shall be provided to each Unit Owner a reasonable time, not to be less than forty-five (45) days, in advance of such change in order to allow each Unit Owner time to obtain such newly required property insurance.

**8.3 Claims Against the Association's Insurance Policies.** Unless otherwise provided in this Declaration or the Bylaws, the Board may adopt a resolution that:

- a. Prescribes a procedure for processing insurance claims. The procedure may require that all claims against the Association's insurance policy be processed through and coordinated by the Board or the Manager, if authorized by the Board.
- b. Assigns the responsibility for payment of charges for handling claims, including any charges by a Manager.

**8.4 Premiums and Deductibles.** Premiums upon insurance policies obtained by the Association shall be paid by the Association as a Common Expense, except that the amount of increase in the premium that is incurred or occasioned by the negligence, willful misconduct, occupancy, or abandonment of a Unit or its appurtenances or of the Common Elements by a Unit Owner (or a Unit Owner's invitees or guests) shall be assessed against that Owner or any other person having an ownership interest in the Unit. Any unpaid amounts shall be treated as an unpaid assessment in accordance with this Declaration. Not less than ten (10) days prior to the date when a premium is due, evidence of such payment shall be furnished by the Association to each lienholder listed in the roster of lienholders if requested in writing by such lienholder. In the event of an insured loss, the amount of any deductible paid in connection therewith shall, in the discretion of the Board, either (a) be treated in the same manner as the premiums for the applicable coverage, (b) be assessed to one or more Unit Owners or other persons having an ownership interest in the applicable Unit(s) as such loss circumstances may equitably warrant, or (c) be assessed to a specific Unit Owner or other person having an ownership interest in the applicable Unit(s) if the loss resulted from the negligence or willful misconduct of a Unit Owner or such other person (or a Unit Owner's or such other person's family, invitees or guests). The Board is authorized to collect as part of the Common Expense an amount to fund a reserve equal to the deductible for each insurance policy maintained by the Association. The intent is to therefore, reduce the annual premium for said policies by allowing for a higher deductible.

**8.5 Policy Requirements.** From time to time, the Association shall arrange for a review of the sufficiency of its insurance coverage by one or more qualified persons, at least one of whom must be familiar with insurable replacement costs in Gallatin County, Montana. The policies may contain a reasonable deductible. All insurance coverage obtained by the Board shall (if reasonably available):

- a. Be written with a company authorized to do business in Montana;
- b. Be written in the name of the Association as trustee for the benefitted parties. Policies on the Condominium shall be for the benefit of the Association and its Owners;
- c. Not be brought into contribution with insurance purchased by Owners, occupants or their mortgagees individually;
- d. Contain an inflation guard endorsement;
- e. Include an agreed amount endorsement if the policy contains a co-insurance clause;
- f. Provide that each Owner is an insured person under the policy with respect to liability arising out of such Owner's interest as a member of the Association in the Condominium (provided, this provision shall not be construed as giving an Owner any interest in the Condominium other than that of an Owner);
- g. Include an endorsement precluding cancellation, invalidation, suspension, or non-renewal by the insurer on account of any act or omission of one or more Owners, or on account of any curable defect or violation of any Owner without prior written demand to the Association to cure the defect or violation and allowance of a reasonable time to cure; and
- h. Include an endorsement precluding cancellation, invalidation, or condition to recovery under the policy on account of any act or omission of any one or more individual Owners, unless such Owner is acting with the scope of its authority on behalf of the Association.

**8.6 Waiver of Subrogation and Endorsements.** In addition, the Board shall use reasonable efforts to secure insurance policies which name the Owners, collectively, as additional insureds for claims arising in connection with the ownership, existence, use or management of the Condominium and provide:

- a. A waiver of subrogation as to any claims against the Association's Board, staff, officers, and any manager, the Owners and their invitees;
- b. A waiver of the insurer's rights to repair and reconstruct instead of paying cash;
- c. An endorsement excluding Owners' individual policies from consideration under any "other insurance" clause;
- d. An endorsement requiring at least thirty (30) days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal;
- e. A cross-liability endorsement that provides cross-liability coverage; and
- f. A provision vesting in the Board exclusive authority to adjust losses; provided however, no Mortgagee having any interest in such losses may be prohibited from participating in the settlement negotiations, if any related to the loss.

**8.7 Insurance Trustee.** The Board shall have the exclusive authority to make a claim and adjust a loss under policies purchased by the Association. Upon such election being made by the Board, the Board shall provide that all proceeds covering property losses shall be paid to such bank in Montana with trust powers as may be designated as insurance trustee by the Board, which trustee is herein referred to as the "Insurance Trustee." The Insurance Trustee shall not be liable for payment of premiums nor for the renewal or the sufficiency of policies nor for the failure to collect any insurance proceeds. The duty of the Insurance Trustee shall be to receive such proceeds as are paid and hold the same in trust for the purposes elsewhere

stated in this Declaration and for the benefit of the Unit Owners and their mortgagees in the following shares, but which shares need not be set forth in the records of the Insurance Trustee.

- a. Unit Owners. Where all Units are destroyed, an undivided share for each Unit Owner, such share being the same as the Percentage of Interest appurtenant to each Unit. In the event less than all Units are damaged or destroyed, then such proceeds shall be held only for the Owner(s) of the damaged or destroyed Unit(s) to the extent of the repair costs of the damage or in the event of destruction, to the extent of the fair market value of the Unit before the destruction. In the event Common Elements are damaged or destroyed, then the proceeds with respect to such Common Elements shall be held for the Owners in accordance with their interests in such Common Elements.
- b. Mortgagees. In the event a mortgagee endorsement has been issued as to a Unit, the share of the Unit Owner shall be held in trust for the mortgagee and the Unit Owner as their interests may appear; *provided, however*, that no mortgagee shall have any right to determine or participate in the determination as to whether or not any damaged property shall be reconstructed or repaired, and no mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds except distributions thereof made to a Unit Owner and mortgagee pursuant to the provisions of this Declaration.

**8.8 Unit Owners' Insurance.** Each Unit Owner shall procure and maintain, and shall provide the Board upon request with a certificate of insurance showing that the Unit Owner has in full force and effect (provided that the Board shall have no obligation to request such certificates or to monitor Unit Owner insurance, and none of the Association, the Board or Declarant shall have any liability with respect thereto), the insurance itemized below, which shall be maintained on a primary basis, and the cost of which shall be the sole and exclusive responsibility of the Unit Owner:

- a. Property insurance for the Unit that provides coverage for what is not covered by the policy maintained by the Association as referenced above.
- b. Liability insurance on an occurrence form against claims for bodily injury, death or property damage occurring on, in or about the Unit and insuring the Unit Owner's liability with a limit of not less than One Million Dollars and Zero Cents (\$1,000,000.00).

Each Unit Owner shall have the right to carry other insurance for such Unit Owner's own benefit. All policies carried by the Unit Owners (a) shall contain waivers of subrogation of claims against the Association, its officers and directors; and (b) shall not adversely affect or diminish any liability under any insurance obtained by the Association. Each Unit Owner may seek to add Deductible Assessment coverage to their personal insurance policy form, where available and at the sole cost of such Unit Owner, to cover those potential Association deductibles which may be assessed to any one or more Unit Owner.

**8.9 Distribution of Proceeds.** Proceeds of insurance policies received by the Insurance Trustee shall be distributed to or for the benefit of the beneficial Owners in the following manner:

- a. Miscellaneous. Expenses of administration, Insurance Trustee and construction or remodeling supervision shall be considered as part of the cost of construction, replacement or repair.
- b. Reconstruction or Repair. Any balance remaining shall be used for reconstruction and repair as hereafter provided.
- c. Partial Reconstruction. If the Unit or Units or Common Elements are destroyed and partially rebuilt, distribution shall be made to Unit Owners or the Insurance Trustee as their interests appear based on the reconstruction of the Units and Common Elements.
- d. No Reconstruction or Repair. If there is no reconstruction or repair, the first proceeds for

distribution after paying the Insurance Trustee shall be made to the first lienholders for such Units before distribution to the Unit Owners.

- e. Remaining Proceeds. After distribution of the insurance proceeds as set forth above, any remaining proceeds shall be distributed to the Units Owner(s) as such Owner(s) interest shall appear. In the event less than all Units are damaged or destroyed, then such proceeds shall be held only for the Owner(s) of the damaged or destroyed Unit(s) to the extent of the repair costs of the damage or in the event of destruction, to the extent of the fair market value of the Unit before the destruction. To the extent Common Elements are damaged or destroyed then remaining proceeds shall be held for the Owners in accordance with their interests in such Common Elements.
- f. Certificate. In making distribution to Unit Owners and their lienholders, the Insurance Trustee may rely upon a certificate of the Association made by the Board or Manager as to the names of the Unit Owners and their respective shares of the distribution.

**8.10 Board as Agent.** The Board is irrevocably appointed agent for each Unit Owner and for each owner of a mortgage or other lien upon a Unit and for each owner of any other interest in the Project to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

**8.11 Benefit to Mortgagees.** Certain provisions in this Article are for the benefit of mortgagees or trust indenture beneficiaries; and all such provisions are covenants for the benefit of any mortgagee or trust indenture beneficiary of a Unit and may be enforced by such mortgagee or beneficiary.

**8.12 Notice to Lienholder.** The Unit Owners, and not the Board nor the Association, shall notify the holder of any first lien on any of the Units of the occurrence of any loss in excess of Ten Thousand Dollars and Zero Cents (\$10,000.00) within thirty (30) days of such loss.

**8.13 Reconstruction.**

- a. Repair after Casualty. If any part of the Project shall be damaged by casualty, whether or not it shall be reconstructed or repaired shall be determined in the following manner:
  - i. *Lesser Damage.* If a Unit or Units (or other damaged property within the Project) is found by the Board to be tenantable after the casualty, the damaged property shall be repaired.
  - ii. *Greater Damage.* If a Unit or Units (or other damaged property within the Project) is found by the Board to be not tenantable after the casualty, the damaged property may be reconstructed or rebuilt as provided in the applicable provisions of the Act. If the decision is made not to rebuild then the property shall be subject to the applicable provisions of the Act.
  - iii. *Election not to Rebuild.* If a Unit or Units (or other damaged property within the Project) is found by the Board to be not tenantable after the casualty and the Association elects not to rebuild as herein provided and set forth in 70-23-803, MCA, and less than all of the Units have been damaged or destroyed, following any payments required by 70-23-805, MCA, the Insurance Trustee shall be instructed to disburse the proceeds in accordance with paragraph 9.9(d) and 9.9(e).
  - iv. *Certificate.* The Insurance Trustee may rely upon a certificate of the Association made by the Board or Manager to determine whether or not the damaged property is to be reconstructed or rebuilt.
- b. Plans and Specifications. Any reconstruction or repair must be substantially in accordance with the plans and specifications for the original improvements, or if not, then according to plans and specifications approved by not less than seventy-five percent (75%) of the

Unit Owners, including the Owners of all Units the plans for which are to be altered, and in accordance with the review and approval requirements set forth in the Design Guidelines. Any such reconstruction not in accordance with the original plans and specifications must be set forth in an amendment to the Declaration. Provided that any consents required by the Governing Documents in connection with reconstruction not in accordance with the original plans and specifications have been obtained, the Board may cause to such amendment to be prepared and recorded without the consent of the Unit Owners.

- c. Responsibility. The responsibility for reconstruction or repair after casualty shall be that of the Association which shall work with the Insurance Trustee to carry out the provisions of this Article 9.
- d. Assessments. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction or repair for which the Association is responsible, or if at any time during such reconstruction or repair, or upon completion of such reconstruction or repair, the funds for the payment of the costs thereof are insufficient, assessments shall be made against all Unit Owners in sufficient amounts to provide funds to cover the payment of such costs. Such assessments shall be in proportion to the Owner's Percentage of Interest, unless such reconstruction or repair resulted from the negligence or willful misconduct of an Owner or the family member, guest or invitee of an Owner, in which case such amounts may, in the discretion of the Board, be assessed against such Owner or other person having and ownership interest in the applicable Unit.
- e. Construction Funds. The funds for payment of costs of reconstruction or repair after casualty, which shall consist of proceeds of insurance held by the Insurance Trustee and funds collected by the Association from assessments against Unit Owners, shall be disbursed in the sound discretion of the Insurance Trustee and according to the contract of reconstruction or repair, which contract must have the approval of the Board.
- f. Surplus. It shall be presumed that the first monies disbursed in payment of costs of reconstruction and repair shall be from the insurance proceeds. If there is a balance in a construction fund after payment of all costs of the reconstruction and repair for which the fund is established, such balance shall be paid to the Association for the use and benefit of the Unit Owners.

#### 8.14 **Condemnation.**

- a. In the event the Common Elements, or any portion thereof, shall be taken for any public or quasi-public use, under any statute, by right of eminent domain or by purchase in lieu thereof, each Owner will be entitled to notice thereof, but the Association (acting through the Board) will act as attorney-in-fact for all Owners in the proceedings incident to such taking unless otherwise prohibited by law. The award for such taking will be payable to the Association as trustee for all of the Owners to be used as follows:
  - i. If the taking involves a portion of the Common Elements on which improvements (not including a Unit) have been constructed, then, unless (a) restoration or replacement of such improvements would be illegal under any applicable law, rule, regulation or ordinance or (b) within sixty (60) days after such taking, the Board elects not to restore or replace such improvements, the Association shall restore or replace such improvements so taken on the Common Elements to the extent lands are available therefore, in accordance with plans approved by the Board and, to the extent required by applicable law, any governmental or quasi-governmental entity having jurisdiction over the Property. If such improvements are to be restored or replaced, and the award for the taking is insufficient to restore or replace such

improvements, the Board shall levy a special assessment, payable by the Unit Owners in accordance with their Percentage of Interest, in the aggregate amount of such deficiency and shall proceed to restore or replace such improvements.

- ii. If the taking does not involve any Common Elements including improvements, or if there is a decision made not to restore or replace as set forth above, or if there are net funds remaining after any such restoration or replacement of improvements is completed, then the Association shall retain such excess proceeds and place them in the Association's reserve account.
- b. In the event any Unit or any portion thereof shall be taken, the condemnation award for such taking shall be paid solely to the Unit Owner(s) of such Unit(s). If an entire Unit shall be condemned, the Unit Owner thereof shall automatically cease to be an Owner or a member of the Association with respect to such Unit, but obligations arising prior to such taking shall remain the obligation of such person or entity regardless of the termination of membership.

## ARTICLE 12

### ENFORCEMENT AND REMEDIES

---

12.1 **Procedure.** The Association shall have the right (but not the obligation) to enforce the provisions of any of the Governing Documents, through procedures adopted by resolution of the Board, abatement of the violation by the Association, or by proceedings either at law or in equity against any Person(s) violating or attempting to violate any of the Governing Documents.

12.2 **Discretion.** The decision to have the Association pursue enforcement action in any particular case shall be left to the Board's discretion, except that the Board shall not be arbitrary or capricious in taking enforcement action. Without limiting the generality of the foregoing sentence, the Board may determine that, under the circumstances of a particular case: the Association's position is not strong enough to justify taking any or further action; or the covenant, restriction or rule being enforced is, or is likely to be construed as, inconsistent with applicable law; or although a technical violation may exist or may have occurred, it is not of such a material nature as to be objectionable to a reasonable person or to justify expending the Association's resources; or it is not in the Association's best interest, based upon hardship, expense, or other reasonable criteria, to pursue enforcement action. Such a decision shall not be deemed a waiver of the right of the Association to enforce such provision at a later time under other circumstances or preclude the Association from enforcing any other covenant, restriction or rule, nor shall it preclude any Owner from taking action at law or in equity to enforce this Declaration.

12.3 **Fines.** The Association, acting through the Board, shall have the authority to levy fines against Units for any violation of the covenants set forth herein or for any violation of the rules and regulations duly adopted by the Board. Violations caused by a tenant shall be assessed against the occupied Unit and shall be the responsibility of the Unit Owner. For each violation, the Unit Owner may be fined according to the following fine schedule:

- a. First Offense: \$25.00
- b. Second Offense: \$50.00
- c. Third Offense and More: \$100.00

The fine schedule may be amended by the Board at any duly called meeting provided it is thereafter approved by at least seventy-five percent (75%) of the aggregate Unit Ownership Interest at any regular or special meeting of the Association. All fines shall be considered final and shall be considered an assessment and a lien against the Unit unless the Unit Owner makes a written appeal to the Board within five (5) business days of receiving the fine and the Board subsequently overturns such fine. The Board shall have thirty days to meet and render its decision regarding the fine, which decision shall be final. All fines may be collected by the Association in the same manner as an assessment as set forth herein. All fines not paid within thirty (30) days shall accrue interest as provided herein for unpaid Assessments, from the due date thereof.

12.4 **Costs of Enforcement.** Costs incurred for enforcing the provisions of the Governing Documents (inclusive of giving notice of the violation), costs of correcting the defect or undoing the violation, if undertaken by the Association, or any fines levied against the Owner after the Owner or his/her tenants,

guests and/or invitees is determined by the Board to be in violation of the Governing Documents shall be paid by the Owner. Any costs incurred for enforcing the provisions of Governing Documents, for correcting the defect or undoing the violation, or fine assessed against the Owner that is not paid within sixty (60) days as provided herein shall result in a lien being recorded against the Unit and/or the Owner's interest therein, such lien to be enforceable by sale under the laws of the State of Montana. Such lien will be recorded. Should any lawsuit, arbitration or other legal proceeding be instituted by the Association against an Owner alleged to have violated one or more of the provision of the Governing Documents and should the Association be wholly or partially successful in such proceeding, the offending Owner shall be obligated to pay the costs of such proceeding, including reasonable attorney's fees, costs, and cost of collecting the judgment.

**12.5 Delegation.** The Board may delegate any of its rights or obligations with respect to enforcement as set forth above to its appointed agent, or any committee of the Board, including, but not limited to, the Manager; except that any decision to pursue or not pursue any legal proceeding may not be delegated, and shall be determined by the Board.

**12.6 Remedies Cumulative.** All remedies provided for in this Declaration and the other Condominium Documents shall not be exclusive of any other remedies which may now be, or are hereafter, available to the parties hereto as provided for by law.

**12.7 Joint and Several Liability.** In the case of joint ownership of a Unit, in any form, the liability of each Owner thereof in connection with the liabilities and obligations of Owners as set forth in or imposed by the Governing Documents shall be joint and several.

If the Declarant still Controls the Project, the amendment must be approved by the Declarant.
- b. **Application.** Owners are on notice that by virtue of taking title to a Unit subject to the Governing Documents that they are subject to and agree to the amendment provisions contained in this Article. Owners waive their rights to any statutory remedies provided for under Title 70, Chapter 23 MCA with regard to duly adopted amendments pursuant to this Article.

13.4 **Power of Attorney.** Each Unit Owner and each mortgagee of a Unit, hereby appoints the Declarant as his attorney-in-fact, and grants the Declarant all necessary authority so that the Declarant may record any amendment authorized by the process described herein.

13.5 **Annexation.** During the Declarant Control Period, Declarant may from time to time unilaterally (a) annex property to the Project, and/or (b) add Condominium Units to the Project. Annexation of property and addition of Condominium Units shall be accomplished by recording. Such supplement shall not require the consent of the Owners or the Board. The supplement shall include a revised version of Exhibit G showing the recalculated Percentage of Interest in the Common Elements for each Condominium Unit and an updated Site Plan and Floor Plans to the extent required by the Act.

13.6 **Withdrawal.** During the Declarant Control Period, Declarant may from time to time unilaterally amend this Declaration for the purpose of removing property then owned by Declarant or its affiliates from the coverage of this Declaration. Any property removed from this Declaration shall be subject to whatever easements, if any, are reasonably necessary for access to or operation of the Project and each of the Condominium Units. In addition, during the Declarant Control Period, Declarant may from time to time unilaterally amend this Declaration for purposes of decreasing the number of Condominium Units within the Project by removing certain Condominium Units from the coverage of this Declaration; provided that Declarant may make any such decrease only with respect to Condominium Units then owned by Declarant which have not been constructed. Any amendment pursuant to this Section shall not require the consent of the Owners or the Board. Any amendment to remove one or more Condominium Units shall include a revised version of Exhibit G showing the recalculated Percentage of Interest in the Common Elements for each Condominium Unit and an updated Site Plan to the extent required by the Act.

13.7 **Plat Amendment.** Declarant may unilaterally amend the Plat without the additional consent of any Owner or the Board; provided, however, that nothing in this paragraph allows Declarant to replat the property underlying a Condominium Unit (*i.e.*, change a boundary line or platted easement under a Condominium Unit) without the consent of the Owner of such Condominium Unit.

13.8 **Merger or Consolidation.** During the Declarant Control Period, Declarant may merge or consolidate the Association with a property owners association of the same form of ownership. Upon written request from Declarant during the Declarant Control Period, the Board and each Unit Owner shall execute such documents and take such actions as shall reasonably be requested by Declarant to approve and effect any such merger or consolidation.

13.9 **Agreement Regarding Amendments.** The Unit Owners, the Association, lienholders, mortgagees, and all others acquiring any interest in or lien on the Condominium Units, the Common Elements, or any other portion of the Project shall be bound by the rights of Declarant to amend and supplement this Declaration (and Bylaws if required) and the Plat as set forth in this Declaration, including, without limitation, in connection with any annexation of Annexed Property, removal of property from this Declaration, reduction or increase in the number of Condominium Units, completion of construction of Condominium Units, and any change in the Percentage of Interest, Site Plan, or Floor Plans in connection therewith, and their consent to such amendments and supplements is implied and agreed to by the acceptance or acquisition of any interest in or lien on the Condominium Units, the Common Elements, or any other portion of the Project. Declarant is hereby appointed the Unit Owners', Association's, lienholders', and mortgagees' agent and attorney-in-fact to execute and record such amendments, supplements, and related documents.

13.10 **Recording of Amendment.** Any amendment adopted pursuant to this Article must be recorded in order to be effective. If an Owner consents to any amendment to this Declaration or the Bylaws, it will be conclusively presumed that such Owner has the authority to consent, and no contrary provision in any mortgage or contract between the Owner and a third party will affect the validity of such amendment.

ARTICLE 14

ANNEXATION, WITHDRAWAL & REPLATTING OF PROPERTY

14.1 **Annexation Without Approval of Membership.**

- a. From time to time and until the end of the Control Period, Declarant may unilaterally subject all or any portion of other property owned by Declarant ("Annexed Property") to the provisions of this Declaration. Declarant may transfer or assign this right to annex property, provided that the transferee or assignee is the developer of at least a portion of the Property and that such transfer is memorialized in a written, recorded instrument executed by Declarant. A Supplemental Declaration shall include a revised Percentage of Interest Exhibit G showing the percentage of undivided interest in the Common Elements for each Unit Owner effective upon recording of the Supplemental Declaration.
- b. Annexation shall be accomplished by filing a Supplemental Declaration annexing the Annexed Property in the public records of Gallatin County, Montana. A Supplemental Declaration annexing property shall not require the consent of the Owners, but it shall require the consent of the owner of the Annexed Property, if other than Declarant. Any other person and/or entity with a property interest in any real property submitted to this Declaration shall not be a "Declarant" unless designated as Declarant in a recorded instrument signed by the preceding Declarant. Any annexation shall be effective upon the filing of record a Supplemental Declaration unless otherwise provided therein.

14.2 **Annexation With Approval of Membership.** The Association may annex real property pursuant to the provisions of this Declaration with the consent of the owner of the Annexed Property, the affirmative vote of a majority of the Owner votes of the Association represented at a meeting duly called for such purpose, the consent of the Declarant so long as Declarant owns property subject to this Declaration or which may become subject to this Declaration in accordance with Art. 11, Sec. 2 and the consent of the Autumn Grove Condominium Owners Association Board of Directors. Annexation shall be accomplished by recording a Supplemental Declaration describing the Annexed Property. Any such Supplemental Declaration shall be signed by the President and the Secretary of the Association, and by the owner of the Annexed Property. Any such annexation shall be effective upon filing unless otherwise provided therein. A Supplemental Declaration shall include a revised Percentage of Interest Exhibit G showing the percentage of undivided interest in the Common Elements for each Unit Owner effective upon recording of the Supplemental Declaration.

14.3 **Withdrawal of Property.** The Declarant reserves the right to amend this Declaration so long as it has a right to annex additional property pursuant to this Article and without prior notice and without the consent of any Person, for the purpose of removing property then owned by the Declarant, its affiliates, or the Association from the coverage of this Declaration, to the extent originally included in error or as a result of any changes in the Declarant's plans for the Property, provided such withdrawal is not unequivocally contrary to the overall, uniform scheme of development for the Property. Common Areas designated as open space on any final plat for the Property, as approved by the County of Gallatin and recorded, may be withdrawn only if restricted as permanent, open space upon which future inconsistent development would not be permitted.

14.4 **Replattng.** Declarant may unilaterally amend the plat of the Property without the additional consent of Owners. Amended plats may include, but are not limited to, the creation of additional Units within the General Common Elements and changes to percentage ownership interest in the Common Elements. By accepting a deed to their Unit, Owners are deemed to have consented to any replattng of the Property that is consistent with the provisions of this Article and authorize Declarant to execute on their behalf any documents necessary for such replattng. Notwithstanding the above provisions, Declarant may not amend the Plat of the Property initially subject to this Declaration.
